

We listen to K-Love on 88.3. We like the no commercials, the news items, uplifting songs & messages & words of encouragement that we hear-all family friendly. We don't have to worry about what we hear on K-Love. Many of our friends also listen all of the time. There is no other area station that is close to providing the same service. K-Love would be missed if they were displaced by an LPFM. Please keep K-Love where it is!
